RE: 2015 Letter of Significant Improvement

Dear Prof. Schafran:

It is my pleasure to inform you the Old Dominion University ASCE Student Chapter has been awarded a 2015 Letter of Significant Improvement. Your Chapter was recommended for this award by the Committee on Student Members based on activities recorded in the 2014 annual report.

Your Chapter has shown considerable advancement in its activities from the previous year. The Chapter's accomplishments reflect the enthusiasm and hard work of your student officers and members, as well as your fine guidance as faculty advisor. You, the practitioner advisors and every individual who had a part in this endeavor should be justifiably proud of his or her contribution to the development of the future of civil engineering.

Best wishes for continued success in your future activities.

Sincerely,

Leslie Payne, Aff.M.ASCE
Director, Student and Younger Member Programs
